Improving the public alerting system.**

- 1 The CCSA is a national organization representing more than 100 small independent broadcasting distribution companies and ISPs that provide TV, internet, and telecommunications services to more than half a million Canadian residents and businesses in urban and rural communities, from coast to coast to coast.
- 2 After review of the Notice of Consultation and the first-round interventions, CCSA does not have additional comments for this phase of the proceeding.
- 3 CCSA will review the second-round submissions and reserve any additional comments for the final phase of the proceeding if appropriate.
- 4 CCSA thanks the Commission for its consideration in this matter.

Sincerely,
